

Road travel through the Northern Territory

Travel plan

The following document is to be completed by people travelling by road from one NT border to another. You must leave the Northern Territory within 48 hours of your time of entry and you must not stop along your journey at any time apart from essential fuel stops, rest breaks from driving (maintaining social distancing) and overnight accommodation that are part of your travel plan. It is a requirement of entry that you are self-sufficient for food and water and you are not permitted to stop to purchase anything other than fuel on your journey. You are not permitted to make any changes to this travel plan.

Provide details of the route you will be travelling, including the roads you will drive on and any planned stops for fuel.
