(j) must remove it in an emergency.

9 A police officer or an authorised officer may:

(a) request a person who is not wearing a face mask as required by these Directions to state the person’s reason for not doing so; and

(b) if the person claims to have a physical or mental health illness or condition, or a disability, that makes wearing a face mask unsuitable – require the person to produce evidence to support that claim.

Part 3 Directions relating to persons who exit former lockout area

10 This Part applies to a person in the Territory who:

(a) was in the former lockout area immediately before 17:00 on 8 November 2011; and

(b) leaves the former lockout area while these Directions are in force.

11 The person must, while outside the former lockout area, comply with Part 2, as if the person were in the former lockout area.
