

# What to do when arriving in the Territory

Coronavirus  
[COVID-19]

## 5 things to do before departure:

### 5 days or less before arrival

1. Complete NT Border Arrival Form

### Within 3 days of arrival (International Travellers Only)

2. Have a negative PCR test

### Before arrival

3. Download Territory Check-In App
4. Digital proof of Vaccination Status
5. Download the NT G2G Now App

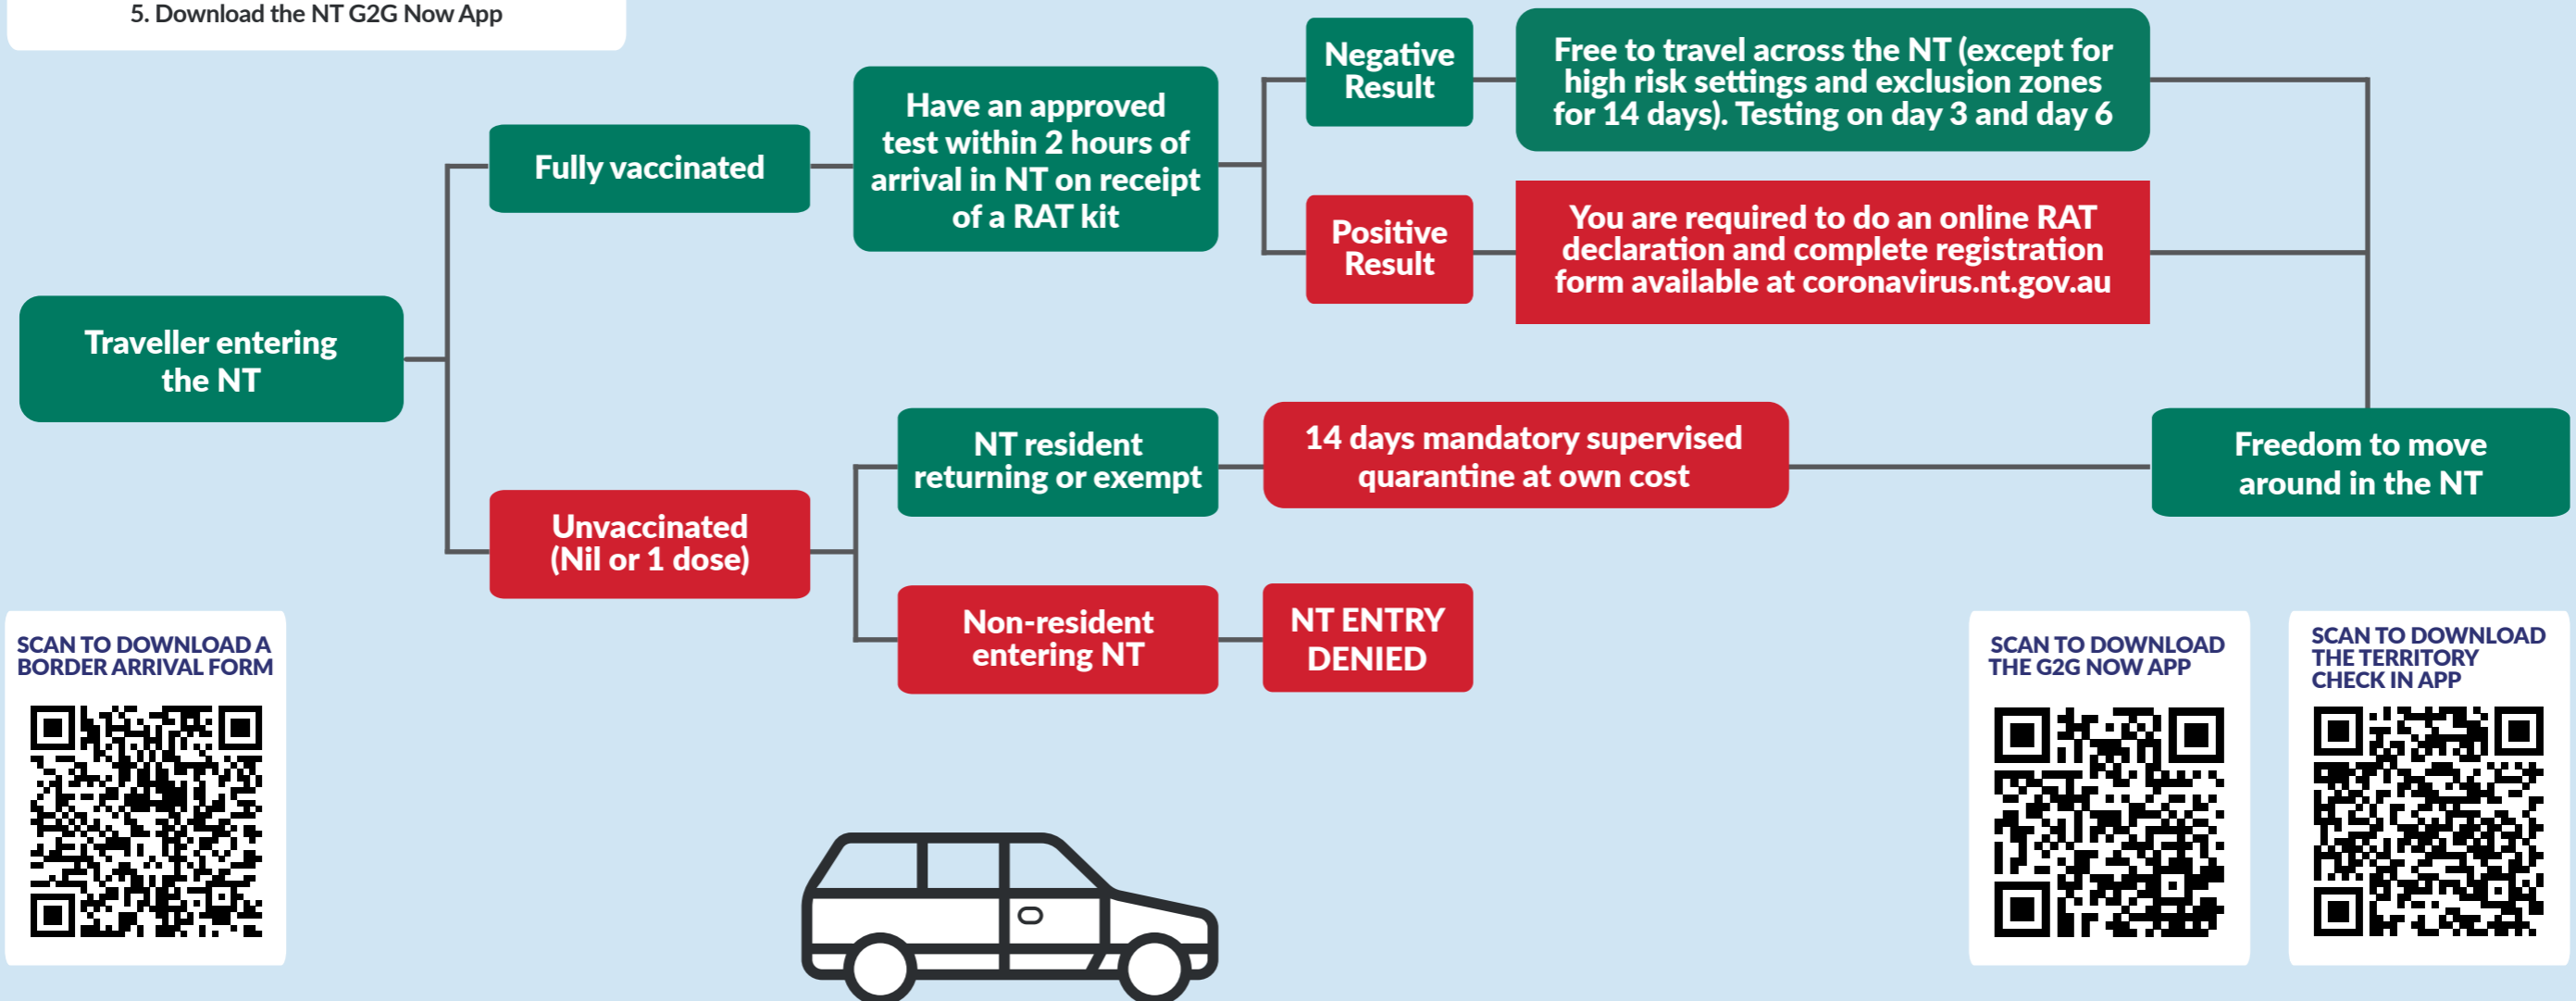

## Entering exclusion zones

Residents, boarding schools students, essential workers and family of essential workers can enter an exclusion zone but must follow mask wearing and testing requirements.

## Children

All children aged 15 years and under, are considered to be fully vaccinated, but only for the purposes of border entry requirements into the NT.
