80%+ VACCINATION TARGET

by November 2021

MANDATORY VACCINATIONS

COVID-19 vaccinations will become mandatory for THREE GROUPS OF WORKERS:

- 1:** Workers who directly interact with anyone especially vulnerable to COVID-19 (eg. children, the aged, remote communities)
- 2:** Workers where the risk of COVID can be brought into their work setting (eg. GP clinics, pharmacies)
- 3:** Workers involved in areas critical to keeping the Territory running (eg. power and water, telecoms)

Note: Employees will be directed to vaccinate by a certain date. Employers will be required to ensure it happens
